

< Calling Engineers! Training Events Denver August 22nd & 23rd >

IES Training - Take your IESVE knowledge to the next level.

As part of the newly introduced IES North American training road show, IES is pleased to announce an ongoing exclusive series of two-day training programs starting in August. Coming to your city on August the 22nd and 23rd, experts from IES will teach you simulation techniques and methods to enable more sustainable design practises.

IES offers two full days of training. These can be taken together or separately. A brief overview is provided below.

- **Day 1 – Intermediate Simulation Analysis:** Introduction to version 6.4.0.5 of the IES <Virtual Environment>; Importing from SketchUp and Revit; Weather and Solar analysis; Artificial Lighting and Daylighting (LEED Eq8.1; Glare Analysis; ASHRAE Heating and Cooling Loads; Occupancy Comfort (Eq7.1); Natural/Mixes-mode Ventilation Analysis and; Introduction & Basics to HVAC Energy Analysis...And much more!
- **Day 2- Advanced and Building Integrated Systems Modeling:** Detailed HVAC Energy Analysis; Geothermal Analysis with Gaia GLD2010; modeling of ASHRAE 90.1 PRM HVAC systems and controls; ASHRAE 62.1 Increased Ventilation Analysis; Build and run DOAS with active controls; Heat exchangers, indirect-evaporative cooling, energy recovery, heat pipes, runaround loops, and desiccant wheels; UFAD systems modeling; Advanced Occupancy CFD Comfort Analysis for ASHRAE 55...And much more!
- An open Q&A session will be held at the end of each day providing an ideal opportunity to pose your questions and share your challenges with us.

Details of Events

Who should attend? Engineers & Sustainability Consultants

Cost: Single day: \$350; Both Days: \$300/day (\$600)

Location: Denver

Time: Monday & Tuesday, August 22nd & 23rd, 9am - 5pm.

Venue: PPA Event Center, 2105 Decatur Street, Denver, CO 80211

Directions [here](#).

Essentials: Please bring a laptop to our session with the VE installed beforehand. We will provide more information after registering.

Note: You don't require any VE experience to attend the two day event, but a proficient level of experience is required as a prerequisite for attending day 2 only.

Book your place today

With only a few weeks to go, now is the time to book your place. All you need to do is contact erin.lofstrom@iesve.com to register or enquire about future training locations.

You can also call us on 415-983-0603 with any questions. Please pass this to any of your colleagues who may be interested in attending. We look forward to seeing you there!
